

## Nimlok Portable Displays

### Outdoor Banner Systems - Bowhead

Bowhead is a totally portable flag system that assembles in minutes and can be used indoors or outdoors

#### FEATURES

- ❖ Bowhead is a totally portable flag system that assembles in minutes and can be used indoors or outdoors
- ❖ Thanks to its strong fibreglass construction it can be used in all weather conditions
- ❖ The print is on 115gsm Trilobal, a hardwearing, long lasting fabric that offers high quality reproduction
- ❖ Bowhead stands 4.4 metres and can be used with either a spike, or flat base depending on the surface
- ❖ Bowhead comes in a hardwearing nylon bag and is the perfect portable flag solution, rotating with wind direction
- ❖ Bowhead comes standard with a black pole pocket; alternatively a red, blue or green pocket can be added for an additional price
